Attention Livingston, Macomb, Monroe, Oakland, St.

### Website Contains

- Documentation, Forms, and Frequently Asked Questions
- Details about Educational Seminars (May – August 2007)

The screenshot shows the Michigan.gov website with a blue header. The header includes the Michigan state logo, the text "Michigan.gov An Official State of Michigan Web Site", a search bar, and links for "Advanced Search", "Departments/Agencies", "Online Services", "Surveys", and "RSS Feeds". Below the header, the main navigation menu has "Community Health" selected. The menu items include "MDCH Home", "Online Services", "Sitemap", "Contact MDCH", "Printer Friendly", "Text Version", "Email Page", and "A- A+ Text Size". A sidebar on the left lists "Providers", "Institutional Review Board", "HIPAA", and "Information for Medicaid Providers". A banner at the bottom right announces "March 15, 2007 To create more efficiency for providers and the Michigan Department of Community Health, MDCH is announcing an ambitious and innovative pilot program called Documentation EZ Link. As a provider in Livingston, Macomb, Monroe, Oakland, St. Clair Co.".

## What is Documentation EZ Link?

**Documentation EZ Link is an Internet based tool which enables Medicaid providers to submit claim documentation via fax or electronically through a secure web portal.**

**The two phased rollout began on March 15, 2007**

- **Phase I** – (March 15, 2007) Allows you to send claim attachments via fax
- **Phase II** – (May 21, 2007) Allows you to scan documents on your fax machine or attach them electronically and transmit them through a secure web portal

### **Benefits of the improved claim attachment system:**

- Decreased claim resolution cycle time improves your cash flow and gives patients a clear picture of their balance due much earlier
- Eliminating printing and mailing expenses along with the manual burden of processing mail drives down your cost of operations
- Creating an audit trail - a record of what claims information was sent to whom and when - helps you track the history of a claim and identify where a claim stands in the adjudication cycle
- Facilitating two way communication about claim attachments allowing many issues to be resolved rather than having the claim denied

**The new claim attachment process will only be applicable to claims filed electronically.**

**Show “EZ LINK” as the first text in the remarks section**

- Loop 2300, Segment NTE

**Fill out the appropriate cover letter**

- Available on the MDCH website

**Transmit to the Documentation EZ Link fax number:**

- **Professional Providers:** 866-584-8081
- **Institutional Providers:** 866-472-4799

## Accessing EZLink

**Log in to MDCH Portal**

**<https://healthcare.covisint.com/portal/private/mdch>**

**Click on Documentation EZLink**

The screenshot shows the Michigan Department of Community Health (MDCH) website. At the top, there is a navigation bar with links for "My Profile", "Support", and "Logout". Below the navigation bar, the MDCH logo is displayed, followed by the text "Michigan.gov" and "An Official State of Michigan Web Site". A portrait of a woman is shown in a box on the right side. The main content area features a large blue banner with the text "Department of Community Health" and the MDCH logo. Below the banner, there is a "Welcome" message and several menu options: "My Sites", "Covisint Healthcare Collaboration Center", "Michigan Department Of Community Health", "Secured Applications", "Documentation EZ Link" (which is highlighted with a red border), and "Department & Agencies".
